Attorney Docket No.: 796.330USWI
Title: MANAGEMENT OF PACKET SWITCHED
CONNECTIONS IN A MOBILE

DECISION ON PETITION
UNDER 37 C.F.R. §1.183

This is in response to the petition filed November 18, 2003, under 37 C.F.R. §1.182, requesting the entry of a substitute specification. Petitioner has asserted that the English specification which he provided on filing was in fact a translation of the wrong document.

37 C.F.R. §1.182 provides a manner by which practitioners may petition the Commissioner for all situations which are not specifically otherwise provided for in the regulations. 37 C.F.R. §1.125 provides a manner by which practitioners may have a substitute specification entered.

As such, this matter is provided for in the regulations, and the petition under 37 C.F.R. §1.182 is **DISMISSED AS INAPPROPRIATE**.

The petition fee of \$130.00 will not be refunded, as this petition was not necessitated by any error on the part of the Office.

After the mailing of this decision, the application will be forwarded to Technology Center 2600 for determination of whether the substitute specification should be entered.

Telephone inquiries regarding *this decision* should be directed to the undersigned at (703) 305-0011. Please note that on approximately September 28, 2004, the Office of Petitions will relocate to the new PTO location in Alexandria. Although the mailing address will remain the same, the general phone number for the Office of Petitions which should be used for status requests will change to 571-272-3282, and the telephone number for the undersigned will change to 571-272-3225.
